1. Scope

1.1 These General Terms and Conditions of Contracts, Delivery and Services (GTCs) shall apply exclusively to all customers including persons or legal entities which purchase the goods or service for whatever purpose.

1.2 The General Terms and Conditions set forth below, including the HUESKER Compliance Guideline (HUESKER CG), which can be found at <https://www.huesker.com.au/company/compliance/> shall apply exclusively to all orders from our customers. Where our General Terms and Conditions and the HUESKER CG are initially implemented in any transaction with a customer, they shall also apply to all further transactions between the customer and ourselves unless otherwise expressly agreed in writing.

Differing terms and conditions provided by the “customer”, shall not apply to any order by the customer and such differing terms and conditions shall not be deemed to apply unless Huesker provides its specific acknowledgement or consent, and this shall also apply to future contracts.

The customer expressly acknowledges that it accepts Huesker's terms and conditions.

1.3 These General Terms and Conditions shall apply to all orders made by customers post 1 April 2017.

2. Information / Advice

2.1 Information and explanations regarding our products and services shall be provided solely on the basis of our experience to date. Values specified in this context shall be deemed average values of our products.

Unless otherwise expressly agreed, we shall not be responsible for our products and/or services being suitable for the requirement or objective of the customer or a third party supplied by the customer, unless Huesker has agreed to provide the product or services for that specific requirement or objective.

2.2. Any information about our products and services, especially information in our quotations and brochures and on the internet and the illustrations, drawings, measurement, property or performance characteristics contained therein and other data, especially technical data or information on ingredients, is provided as general guidance or information and does not constitute advice, representations, warranties or promises as to the products or services. This shall apply accordingly to statements made by our employees unless otherwise agreed in writing. Data of our products without tolerances, as may be included on our website or in our catalogues and/or brochures, are subject to production-related deviations and changes customary in the trade and/or industry, especially due to further developments in production technology and related materials. Huesker accepts no responsibility for any minor variation to such data in the production of the product or provision of the services.

2.3 If we provide instructions for use, these shall be drawn up with the care customary in the industry but do not release our customer from the obligation to inspect the products carefully regarding their suitability for the purpose intended by the customer. The customer shall be obliged in any case, unless otherwise agreed, to accept responsibility as to whether our products and/or services can be used for the purpose intended by the customer.

2.4 We only assume an obligation to provide advice exclusively on the basis of a separate, written consultancy agreement.

2.5 Reference to standards, similar regulations and technical information, descriptions and illustrations of the delivery item in quotations and brochures on the internet and in our advertising as well as to analyses provided or description of physical properties shall only represent a property of our products when we have expressly declared the quality to be a “*property of the product*”. These are otherwise non-binding, general specifications of performance. This shall also apply to statements made by our employees unless otherwise agreed in writing.

2.6 We shall only be deemed to have given a guarantee if we have designated a property and/or the outcome of performance as “*guaranteed*” in writing.

2.7 We shall assume no liability that our products or services can be used and/or registered and/or marketed for the customer's intended purpose other than liability prescribed by law unless we have agreed otherwise in writing with the customer. This shall not affect the stipulation in paragraph 11.

2.8 The customer shall be obliged to provide us in due time and in full all information and data required to provide the product or service.

2.9 If the customer fails to comply with its obligations stated in para. 2.8 we shall have the right to charge the customer separately for expenses and costs we incur as a result.

3. Specimens / Documents and data provided / Samples / Estimates of cost

3.1 Properties of specimens or samples shall only become an integral part of the contract if this is *expressly* agreed in writing. The customer is *not* authorised to use and pass on samples. Where goods are sold by us based on a sample, deviations therefrom in the goods supplied shall be acceptable and shall not give cause for complaints or claims unless the deviation has a significant impact on the normally intended use of the delivered goods and the delivered goods comply with any specifications agreed, unless otherwise agreed.

3.2 We shall retain all title and copyrights to samples, illustrations, drawings, data, estimates of cost and other documents about our products and services disclosed or provided to the customer. The customer undertakes not to make the samples, data and/or documents specified in the foregoing sentence available to third parties unless we give our express written consent, and to return them to us on request.

Documents, drawings or data provided by the customer shall be retained by Huesker on the basis that such documents, drawings or data shall only be utilised for the purposes of the customer's order or delivery thereof or provision of the services.

4. Conclusion of contracts / Scope of delivery and service / Procurement risk and guarantee

4.1 Our quotations are subject to change unless they are expressly designated as binding or expressly contain binding commitments, or their binding nature was otherwise expressly agreed. They are requests for orders.

The customer shall be bound by its order or any reorder following the first order upon receipt of same by Huesker.

4.2 Huesker may reject any order received from the customer at its discretion provided that Huesker shall notify the customer in writing within 5 business days of receiving such order. Where Huesker issues an order confirmation to the customer, Huesker shall satisfy such order, subject to the terms hereof.

Delivery of the products or services by Huesker to the customer shall constitute confirmation in lieu of an order confirmation.

4.3 In the event of call orders or acceptance delays caused by the customer, we shall have the right to procure the material for the entire order and to manufacture the total quantity ordered immediately and the customer shall be responsible to buy the total quantity ordered. After the order is placed, no change requests from the customer can, therefore, be considered unless expressly agreed in writing.

4.4 The customer must notify Huesker in writing at the time of order of any special requirements for our products. If the customer requires any subsequent variation to the products or services, Huesker will attempt to accommodate that requirement but at the customer's cost.

Unless otherwise expressly agreed, we shall only be obliged to supply the ordered products as goods which are marketable and eligible for approval in Australia or New Zealand.

4.5 Where Huesker experiences delay in obtaining supply of products to satisfy any order, Huesker shall notify the customer as to the nature and extent of the delay and the anticipated delivery date thereof and where such anticipated delivery date is more than 30 days after the initial delivery date specified by the customer's order then the customer shall be at liberty to cancel such order.

4.6 Where a customer's order requires Huesker to procure products which are not Huesker products, Huesker shall use its best endeavours (following acceptance of the order) to undertake procurement of such products but the risk of procurement shall not be Huesker's responsibility and any delay in delivery or the unavailability of such products shall not give the customer any right or entitlement to cancel the order other than in relation to such products required to be procured.

4.7 If acceptance of the products or their shipment or the acceptance of our service is delayed for a reason for which the customer is responsible, we shall have the right, after setting an extension of time of 14 days which has expired, at our option to request immediate payment of the purchase price, or to terminate the contract or refuse performance and request damages in lieu of full performance. The time limit must be given in writing or email form.

In the event of our claiming damages as stipulated above, the damages to be paid shall amount to 20 % of the invoice amount in the case of orders for products, or 20 % of the agreed remuneration in the case of service contracts. The customer agrees that the percentages referred to above are a fair and reasonable assessment of Huesker's loss.

4.8 If shipment is delayed/changed at the customer's request or for reasons for which the customer is responsible, we shall have the right to store the goods, beginning on expiry of the reasonable period set in the notice in writing that the goods are ready for shipment, at the customer's risk of loss and deterioration of the goods, and to invoice the costs incurred for this at 5 % of the net invoice amount of the stored goods for each full week or part thereof. The stored goods shall only be insured at the customer's specific request. This shall not affect the assertion of any further rights. The customer acknowledges that the percentage referred to above is a fair and reasonable assessment of Huesker's cost.

Furthermore, we shall have the right, after the foregoing period according to para. 4.8 sentence 1 expires, to dispose of the contract goods otherwise, and to make a new delivery to the

customer after a reasonable period and the customer shall be responsible for any loss or additional cost incurred by Huesker.

4.9 If an order or call for delivery is delayed by the customer, we shall have the right to postpone the delivery by the same period of time as the customer is behind schedule plus a scheduling period of 4 working days.

If an order on call is agreed, we must receive the individual calls, unless otherwise agreed, at least 6 weeks prior to the requested delivery date, unless a shorter call or delivery period was agreed. Unless agreed to the contrary, the customer shall be obliged to take delivery of the purchased goods in full within the period specified in the order confirmation where no order confirmation is issued, the customer must take delivery of the purchased goods when notified by Huesker that the goods are available. If the goods are not called in due time, we shall have the right to remind the customer of the calls and to set an extension of time for delivery of 14 days. After expiry of that period, we shall have the right to terminate the contract and request damages in lieu of performance.

4.10 Unless otherwise expressly agreed in writing, we shall only be required to provide user information for our products and a product label in English.

4.11 We reserve the right to change the specifications of the goods in so far as this is necessary to comply with legal requirements provided that such change does not cause any deterioration in terms of quality and usability for the usual purpose, and, if fitness for a specific purpose was agreed, for that purpose.

4.12 We shall have the right to make partial delivery of products or excess or short deliveries of up to 5 % of the agreed delivery quantity.

4.13 Once an order has been accepted by Huesker it shall not be cancelled or varied without the prior written consent of Huesker (which may be given or withheld in the absolute discretion of Huesker and if given, subject to such conditions as Huesker shall impose) and in such event the Buyer shall pay (in the case of cancellation) a fee of 10% of the Purchase Price and in the case where Goods have been delivered to the Buyer a fee of 30%, upon payment of a fee of 30% of the Purchase Price. All costs of packing, carriage, freight, insurance and duties or taxes relating to delivery to and from the Buyer shall be paid immediately by the Buyer upon receipt of an invoice for same from Huesker. Any and all materials will only be considered for return within 3 months from its original delivery date, no returns will be considered after this period.

5.1 Binding delivery dates and periods must be agreed expressly and in writing as binding. We shall make every endeavour to meet delivery dates and periods that are not binding or approximate (approx., about etc.).

5.3 The customer will accept delivery prior to the delivery date provided Huesker first notifies the customer of its intention to deliver products early.

5.4 The unloading of the products delivered shall be at the customer's risk and cost.

5.5 Where Huesker's quotation and the customer's order include transportation to the customer's nominated site, the customer shall pay for such transportation as part of the order. Where the customer nominates its own means of transport, Huesker shall have no liability for transport or insurance in relation to the goods and where the customer's means of transport is delayed or otherwise not available to deliver the goods by the delivery date, Huesker shall be at liberty to arrange its own transport at the customer's risk and cost.

5.6 If there is no delivery date specified in the order, Huesker shall notify the customer when the goods are ready for delivery and the provisions of the previous sub clause hereof shall apply. If there is a delay in the customer's transport and the goods are required to be stored by Huesker then the storage costs referred to in clause 4.8 hereof shall apply.

5.7 Any claims made by the customer arising as a result of Huesker's default shall, to the exclusion of any other claims amount to and be limited to 0.5% of the net invoice amount per week to a maximum of 5.0% of the net invoice amount. The customer shall not be entitled to any further compensation or claim.
